

Beginning Letters

BY: TEACH MY TODDLERS

Instructions

Cut out all the letters at the bottom of the page.

Look at the first picture and say what it is. Figure out the beginning sound and first letter of that word. Find the matching letter in the pile of letters. Glue the correct letter in the space on the first picture.

Continue with the other pictures.

VARIATIONS

After all the letters are correctly matched, color the pictures.

Use a combination of cut letters and written letters to make new words.
